ISMAYILOV ELMADDIN

EXPERTISE AND MARKETING

PROFILE

I am Elmaddin Ismayilov, I have a higher education in "Expertise and Marketing of Consumer Goods" from the Azerbaijan Cooperative University. I have gained experience in both customer service and responsible positions by working in various fields, including as a security guard, salesman-cashier and warehouse technician.

I am able to work independently in office programs (Word, Excel, PowerPoint, Outlook). I am currently developing my knowledge in the field of web programming, gaining experience in HTML, CSS and JavaScript. I am always open to new knowledge, motivated to learn and develop in order to achieve the goals I set for myself.
